NOTICE: The project bid documents are amended in certain particulars as stated herein, which adds to, deletes from and/or supersedes conflicting information in the Request for Proposal (RFP).

- Work covered by this Addendum shall be subject to the requirements of the RFP.
- *Acknowledge this Addendum in the Cover Letter.*

ITEM #1:

Section 5 Proposal Evaluations, Sub-Section 5.1 Consultant Qualifications currently reads,

Consultant selection will be based solely on the qualifications and experience of the candidate relative to the requirements of the position stated in Section 1. Cost is not a factor in selection of the PCC and in fact cannot be considered because of the Brooks Act.

Section 5 should read as follows,

Consultant selection will be based solely on the qualifications and experience of the candidate relative to the requirements of the position stated in Section 2. ~~Cost is not a factor in selection of the PCC and in fact cannot be considered because of the Brooks Act.~~

Section 2 that is referred to in the revised language refers to the Scope of Work.
