SPECIAL PROGRAMS

NON-PROFIT PROGRAM

The Rapid will continue to offer our non-profit ticket program in 2020. However, instead of offering 100 2-ride tickets to non-profits each year, we will now provide 200 single-ride barcodes. Barcodes will not include a transfer.

SOCIAL SERVICE PROGRAM

Currently, we work with local social service agencies to provide 35,000 2-ride tickets to support the varied needs of the community members in our six cities. Instead, we will offer 70,000 single-ride barcodes. Barcodes will not include a transfer.

PARTNER PROGRAMS

The Rapid is working to transition all current partner programs (employers, schools, etc.) to The Wave. The Wave Partner Program offers partners more account management features and better cost savings.
